Previous Group News.

11/12- Congratulations to Jeremy on his paper in the Journal of Polymer Science- Part A

8/12- Congratulations to Jeremy on his paper in Macromolecules.

8/12- Congratulations to Brandon on his first paper in Chem Comm.

5/12- Congratulations to Malika for earning tenure and Promotion to Associate Professor

8/11- We bid farewell to Jeremy good luck at the University of Washington.

4/12- Congratulations to James for his paper in Pure and Applied Chemistry

3/12- Congratulations to Jeremy for successfully defending his thesis and for participating in the American Chemical Society-Polymer Division excellence in graduate research poster session.

3/12- Ben is the recipient of an ISU teaching excellence award.

3/12- Brian is the recipient of the Chevron Phillips Fellowship.

3/12- Jeremy is the recipient of the ISU research excellence award.

3/12- Monique is the recipient of the Edward V. Sayre Chemistry Scholarship.

12/11- Congratulations to Achala on her paper in Macromolecules.

10/11- Congratulations to Brian on his paper in the Journal of Organic Chemistry

8/11- Congratulations to Malika for being named a Rising Star by the American Chemical Society Women Chemist Committee.

8/11- Congratulations to Jared for successfully defending his thesis. Good luck at Texas A and M.

7/11- Congratulations to Jared and Jeremy on their paper in Polymer Chemistry.

7/11- The Jeffries-EL lab is featured on NBC Learn’s Chemistry Now Program.

7/11- Jared performs the nylon rope trick on NBC Learn’s Chemistry Now-week 15 nylon.

4/11- Nia is the recipient of the Iowa Commission on the Status Of Women’s Whispers and Screams young advocacy award for her advocacy for women and human rights through her community work and documentary on feminism.
4/11- Malika is the recipient of ISU College of Liberal Arts and Sciences Diversity Award.

3/11- Jared is the recipient of the ISU Research Excellence Award.

3/11- Achala is the recipient of the ISU Teaching excellence award.

3/11- Brian was a Cotton-Uphaus finalist.

3/11- Jeremy is the recipient of the Chevron-Phillips Award.

1/11- Congratulations to Jeremy and Jared on their paper in Macromolecules

1/11- Congratulations to Jared and Drew on their paper in Physical Chemistry Chemical Physics.

12/10- Dana is the recipient of a American Chemical Society-Division of Organic Chemistry travel grant.

10/10- The Jeffries-EL Group relocates to Hach Hall.

4/10- Brian is the recipient of the Sleight Fellowship and an ISU teaching excellence award.

4/10- Dana is the recipient of the Arthur P. Hellwig Fellowship.

4/10- Jared is the recipient of the Chevron-Phillips Award.

3/10- Malika is the recipient of a 3M non-tenured faculty grant. Thank you 3M for the generous support of our work.

2/10- Congratulations to Jared and Drew on their paper in the Journal of Polymer Science Part A.

1/10- Congratulations to Jared and Drew on their paper in the Journal of Organic Chemistry.

12/09 - Robyn receives her Masters degree

10/09 - Robyn and our collaborators publish a paper in Soft Matter.

5/09 - Malika is the recipient of a Carl Storm Minority Fellowship from the GRC.

4/09- Achala is the recipient of the Women in Chemistry Research Award.

3/09- Malika is the recipient of a 3M non-tenured faculty grant. Thank you 3M for the generous support of our work.

1/09-Malika receives the Lloyd Ferguson Young Scientist Award from NOBCChE.

12/08- Malika receives an NSF-CAREER award.

11/08- Congratulations to Jared and Drew on their paper in Organic Letters
4/08- **Brandon** is the recipient of the Arthur P. Hellwig Fellowship Award.

**Robyn** is the recipient of the Women in Chemistry Research Award.

2/08- **Malika** is the recipient of a 3M non-tenured faculty grant. Thank you 3M for the generous support of our work.

1/08- **Malika** is the recipient of an ACS PROGRESS/Dreyfus Lectureship.

12/07- **Robyn** is the recipient of an ACS-Ames local section travel grant.

10/07- **Mike** and our collaborators publish a paper in JACS.

8/07- **Jared** is the recipient of a GAANN fellowship.
