

**IOWA STATE UNIVERSITY  
UNDERGRADUATE CHEMISTRY MAJOR SCHOLARSHIPS**

**Instructions for Application**

**THE CLIFFORD C. HACH MEMORIAL SCHOLARSHIP.** This scholarship, funded by the Clifford C. Hach Memorial Fund, pays \$6,000 during the 2008-09 academic year. The four-year scholarship may be renewed annually as long as the student remains in good academic standing and remains a chemistry major.

**HACH SCIENTIFIC FOUNDATION CHEMISTRY TEACHER SCHOLARSHIP.** This scholarship, funded by the Hach Scientific Foundation, pays up to \$6,000 a year towards tuition and fees for chemistry majors who plan to become chemistry teachers. The scholarship may be renewed annually as long as the student remains in good standing in chemistry and education courses. The purpose of the scholarship is to provide an incentive to strong students to pursue careers in teaching.

**CHEMISTRY DEPARTMENTAL SCHOLARSHIPS:** Several other scholarships are available to outstanding entering freshmen.

All scholarships are awarded in two installments once each semester.

Chemistry department scholarships are available only to students who will be majoring in Chemistry.

**To the Applicant**

1. Complete the enclosed application form and give it and these instructions to your high school principal. We request that your principal mail your application, with other attachments, to us.
2. Request that your science teacher and another teacher each write an evaluation of you as a student and person. Ask your teachers to give the evaluations to your principal for mailing.
3. Have you had any work experience? If so, please describe briefly in your application and ask your employer to write a letter of recommendation to the selection committee in care of the address given below.

**To the High School Principal**

1. Please attach a transcript of the applicant's scholastic record.
2. We would like very much to have a statement from you giving us the titles and results of all types of tests and inventories administered to the applicant during his or her high school career.
3. Please attach the scholastic and personal evaluations given to you by the applicant's teachers.
4. Mail the application and its attachments so that they will arrive no later than **February 15, 2008**.

**Please mail your application to:** Professor Thomas Greenbowe  
Chair, Undergraduate Scholarship Committee  
Chemistry Department, 1608 Gilman Hall
