

Chemistry 332L Course Syllabus

Instructor: Dr. Terry Fernando
Office: 0757 Gilman
Office Hours: M, W 2-3 pm or by appointment
email for Instructor terry@iastate.edu

Chem 331 and 331L are pre-requisites for Chem 332L. Chem 332 and 332L are co-requisite courses, i.e., students in Chem 332L are required to take Chem 332 at the same time or to have already received credit in 332. Co-requisite course requirements are strictly enforced: Students who do not meet the co-requisites should drop the course or add the co-requisite as soon as possible or they will receive an F in the course. Students who drop or audit Chem 332 will be required to drop 332L.

Learning Objectives

During this second semester course you will be performing experiments which continue to reinforce techniques and concepts you learned during 331L. In addition, you will be learning more about synthesizing various organic compounds with a variety of functional groups and using several mechanisms.

Required Personal Protective Equipment (PPE)

- **Safety Eyewear:** UVEX — Model S040C Safety Glasses or Jones & Co. Visorgogs or Magid Glove and Safety Manufacturing “Sapphire” safety glasses. Safety eyewear may be purchased at the bookstore. Other types of protective eyewear require approval from course instructor.
- **Lab coat:** A mid-thigh or longer lab coat must be purchased. These are available at the bookstore, chemstores in 1400 Gilman Hall (credit card), and various online stores such as Amazon.
- **Additional PPE:** gloves (provided), and closed-toe, closed-heel shoes.

Course Materials

- You will use Microsoft Word and provided Lab Report templates for your lab reports.
- All required lab readings, lab report templates and tutorials are posted on Canvas. Submission links for your lab reports are also on Canvas.

Assessments (Please see Assignment Rubrics on Canvas for more detail.)

	Brief Description	Points Each	Number	Total Points
Safety				
Signed Safety Contract	Read the safety contract and submit a signed copy on Canvas	100	1	100
Normal Lab Reports				
Pre-lab Questions	Answer questions in your lab report that are designed to help you understand underlying concepts, safety, and important parts of the procedure, such as amounts to use.	100		
In Lab Notes	Record observations and data while performing the experiment in enough detail that analysis and application questions can be answered including troubleshooting if the experiment does not go well.	50		
Analysis and Application Questions	Answer questions in your lab report designed to help you analyze data and draw conclusions. In addition, application questions are included to help you relate concepts learned in lab to broader lecture concepts.	100		
TA Points	Your TA will check whether you completed your pre-lab notes at the beginning of lab class. This is worth 50 points. The remaining 50 points is for demonstrating that you are prepared for lab class, consistently wearing PPE, making safe decisions, and for thorough clean up.	100		
Total Points for Normal Labs		350	11	3850

Checkout				100
Total Points for Course				4050

Deadline for Lab Reports is Sunday, 11:59 PM after the lab is completed.

Grading

Grading scale for final grades: A \geq 93%, A- \geq 90%, B+ \geq 87%, B \geq 83%, B- \geq 80%, C+ \geq 77%, C \geq 73%, C- \geq 70%, D+ \geq 67%, D \geq 63%, and D- \geq 60%, and F < 60%.

Grades are rounded up at the end of the semester. (e.g. 92.5% => 93%)

Important Course Policies:

- You must arrive to class on time in order to be permitted to attend the in-lab portion of class. Important aspects of the experiment are covered during the pre-lab discussion including safety. You may not submit a lab report if you do not perform the experiment and will receive a zero for the lab report. If you have extenuating circumstances which regularly prevent you from arriving to class on time, please contact the instructor before your first class.
- Late lab report submissions are generally not accepted. Rare exceptions are made for serious reasons such as technical difficulties, severe illness, family emergencies, or similar circumstances beyond your control. If such is the case, email your instructor at terry@iastate.edu by the morning after the due date or you will receive a zero on your lab report.
- Since online makeup labs are available, there are generally no dropped labs.
- You are allowed two online makeup labs for legitimate reasons such as ISU sponsored events, serious illness, and family emergencies and other similar reasons beyond your control. You must receive permission for and must do a Webex pre-lab check before submitting an online makeup lab. See instructions in FAQ on Canvas for details. If you require additional makeup labs for legitimate reasons beyond your control, contact your instructor at terry@iastate.edu **before** your third makeup request or as soon as humanly possible to discuss alternatives.
- You must attend your assigned section unless you receive permission to attend another section from your Head TA or instructor.
- It is your responsibility to make sure that lab reports are properly submitted by the deadline. Accidentally submitting the wrong document is not a legitimate reason for a deadline extension or a regrade.
- Any complaint regarding a grade **MUST** be brought up within 1 week of receiving the grade to have any issue addressed. **DO NOT WAIT UNTIL THE END OF THE SEMESTER.**
- Presence at Lab Check-out is mandatory unless you have an excused absence. Lab Check-out must be done during the scheduled checkout time. Check-out is worth 100 points.
- Grade concerns brought up after final grades are submitted will not be considered unless there is a demonstrable error on the part of instructor or TA involved.
- Use of personal electronic devices of any type (e.g., laptops and cell phones) is strongly discouraged in the lab. If you choose to use your own personal device in the lab, you do so at your own risk since it is a lab environment.

Academic Misconduct

Academic Misconduct in any form is in violation of ISU *Student Disciplinary Regulations* and will not be tolerated. This includes but is not limited to: **COPYING AND PASTING FROM ANYTHING WHICH YOU DID NOT AUTHOR, SUBMITTING LAB-NOTES AND/OR ANALYSIS AND APPLICATION QUESTIONS FOR EXPERIMENTS YOU DID NOT PERFORM (in person or via online makeup) OR SUBMITTING WORK IDENTICAL OR NEARLY IDENTICAL TO ANOTHER STUDENT'S OR CHEGG OR SIMILAR WEBSITE.** Depending on the act, a student will receive an F grade on all submissions associated with the experiment, could receive an F grade for the course, and could be suspended or expelled from the University. See the Conduct Code at <http://www.dso.iastate.edu/ja> for more details and a full explanation of the ISU Academic Misconduct policies. In any case, the student will be reported to the Dean of the Students Office.

Accessibility and Mental Health Support

Iowa State University is committed to assuring that all educational activities are free from discrimination and harassment based on disability status. Students requesting accommodations for a documented disability are required to work directly with staff in Student Accessibility Services (SAS) to establish eligibility and learn about related processes before accommodations will be identified. After eligibility is established, SAS staff will create and issue a Notification Letter for each course listing approved reasonable accommodations. This document will be made available to the student and instructor either electronically every semester. Students and instructors are encouraged to review contents of the Notification Letters as early in the semester as possible to identify a specific, timely plan to deliver/receive the indicated accommodations. Reasonable accommodations are not retroactive in nature and are not intended to be an unfair

advantage. Additional information or assistance is available online at www.sas.dso.iastate.edu, by contacting SAS staff by email at accessibility@iastate.edu, or by calling 515-294-7220. Student Accessibility Services is a unit in the Dean of Students Office located at 1076 Student Services Building.

Student Counseling Services (SCS) provides confidential prevention, intervention, information, and referral services to Iowa State students. Assistance is available for students coping with relationship problems, low self-esteem, stress, loneliness, depression, cultural differences, sexual assault recovery, childhood abuse, trauma, eating disorders, substance abuse, career/major concerns, academic motivations, and other concerns. Students can initiate services at SCS during the walk-in hours (see SCS website) or during business hours if crisis counseling is needed. Check out their website for additional information: <https://counseling.iastate.edu/>.

Freedom of Speech

Iowa State University supports and upholds the First Amendment protection of [freedom of speech](#) and the principle of [academic freedom](#) in order to foster a learning environment where open inquiry and the vigorous debate of a diversity of ideas are encouraged. Students will not be penalized for the content or viewpoints of their speech as long as student expression in a class context is germane to the subject matter of the class and conveyed in an appropriate manner.

Experiment Schedule

Day	Week of	Experiment
1	1/15/24	332L Intro
2	1/22/24	Ketone Reduction
3	1/29/24	Grignard
4	2/5/24	Grignard, Cont.
5	2/12/24	Diels Alder
6	2/19/24	EAS Bromination
7	2/26/24	EAS Alkylation
8	3/4/24	Wittig
9	3/11/24	SPRING BREAK
10	3/18/24	Imine Synthesis
11	3/25/24	Fischer Esterification
12	4/1/24	Aldol Condensation
13	4/8/24	Oxazolone Synthesis Part 1
14	4/15/24	Oxazolone Synthesis Part 2
15	4/22/24	Checkout
